ADMINISTRATION AND COACHING STAFF

Ms Geraldine Yan continued to serve in the role of General Manager which she assumed in January 2014. During this period, she worked with the EXCO and office staff to ensure continued operational efficiency and assisted in the organization of the World League Round 1. She however decided to move on from the Federation in April 2016 and officially left the employ of the Federation in June 2016.

Prior to leaving, Ms Yan assisted in the recruitment and transitioning of our current General Manager, Mr Sajivan Hariram, whom we were pleased to welcome on 1 May 2016. Mr Hariram, who has been assisting the Federation from February, was instrumental in the planning and execution of the World League Round 1 and has proven himself adept at managing the day to day operations of the Federation and the staff.

Jaslyn Koh continues to serve in her role as the HR and Finance Executive. She performs all book-keeping and administrative functions. SHF continued to use the services of Ardent Outsourcing Pte Ltd to assist her in the accounting function

Mr Saffwan Othman continued to serve in the role of Tournaments & Events Manager. He continues to oversee the organization and execution of SHF's leagues as well as its umpiring related operations.

Mr Johan Joffri continued to serve as Sports Operations & Development Assistant Manager until leaving the Federation in April 2016. Mr Vikraman Karuppayah assumed the role of Sports Operations & Development Manager in May 2016. Mr Karuppayah brings with him valuable sport experience from his previous role as a Sport Officer at Singapore Island Country Club. His portfolio includes Communications & Community, Youth Development and Office Operations.

Ms Rytha Lew took over as High Performance Executive in March 2016. Ms Lew is from a Sport & Exercise Sciences background and will work with the coaches on High Performance initiatives.

On the High Performance Side:

MEN'S HEAD COACH

Mr Solomon Casoojee left his position as Men's Head Coach after leading us through our World League Round 1 campaign. He was with us for over 6 years.

After interviewing multiple candidates, Mr Rajan Krishnan was appointed as the Men's Head Coach. He took up his position on 1 August 2016. Mr Krishnan has over 20 years of coaching experience and has led many Malaysian national age group squads as well as the Thai Senior Men's and Women's Teams.

WOMEN'S HEAD COACH

MEN'S SENIOR TEAM

The Senior team participated in World League Round 1 and the AHF Cup in the last Financial Year. In World League Round 1, the team had a very strong start against Kazakhstan. However, the team was not able to keep the shape and tempo for the full 70 minutes against Sri Lanka resulting in an unfortunate loss. Although they were able to put away Myanmar comprehensively, a second place in the pool meant a difficult game against China. Notwithstanding the team made a much-disciplined start only to allow some lapses in concentration to allow China to score and after that chasing the game against a superior opponent was a difficult task. The 18 hour break between the semi-final and the 3rd and 4th placing proved telling, with the forwards not able to convert several early chances and convert a dominant first half into a lead.

They competed in Pool B and played against:

1. Kazakhstan (won 6 – 0)
2. Sri Lanka (lost 2 – 1)
3. Myanmar (won 6 – 1)

Pool A consisted of China, Thailand, Hong Kong, Brunei and Vietnam.

In the semifinals, they played against China (lost 5 – 0).

They played against Thailand for the bronze medal (lost 3 – 1), gaining them the 4th place of 9 countries.

The team for the WLR1 comprised of :

1. A Suresh
2. Muhammad Nur Iszuan Bin Adon
3. Muhammad Haseef Bin Salim
4. Ong Jun Hong
5. Enrico Elifh Abdul Lathif Marican
6. Jaspal Singh Grewal
7. Muhammad Ashraff Bin Alias
8. Lee Chee Yong
9. Silas Abdul Razak Bin Noor Shah
10. Timothy Goh Kai Yang
11. Abdul Hanif Bin Murid
12. Adam Aniq Bin Amir
13. Tan Yi Ru
14. Mohammed Sabri Bin Yuhari

17. Kendy Lee
18. Muhammad Hafiz Bin Abdul Rased

Team officials:

- Team Manager: Saifulnizam Bin Mohamad Seftu
- Head Coach: Solomon Yusef Casoojee
- Assistant Coach: Abraham Robertus Loman

The team then participated in the 5th Men's AHF Cup, which was held on 19th November 2017 – 27th November 2017. The team achieved their target of a top 4 ranking. The team's average age was approximately 20 years old, and 5 athletes used this platform to perform in their first international tournament.

They competed in Pool B and played against:

1. Singapore vs Thailand (won 2 – 1)
2. Singapore vs Sri Lanka (drew 1 – 1)
3. Singapore vs Uzbekistan (won 3 – 2)
4. Singapore vs Bangladesh (lost 0 - 8)
5. Singapore vs Hong Kong (lost 1 - 2)

The eventual champions were Bangladesh.

WOMEN'S SENIOR TEAM

World League Round 1

The players adapted well to a new style of play, keeping the ball moving and maintaining a good work rate to find space of each other. The ability of the team to create opportunities in the circle led to a credible 27 goals being scored. However more confidence was lacking when needed against competitive opponents. Consequently the results in the games against Thailand and Kazakhstan were not as close as they could have been .

The team performed well with the following results:

1. Sri Lanka (won 6 – 1)
2. Hong Kong (won 1 – 0)
3. Thailand (lost 2 – 0)
4. Cambodia (won 14 – 0)
5. Brunei (won 6 – 0)
6. Kazakhstan (lost 3 – 0)

The team for the WLR1 comprised of:

4th Women's AHF Cup

The team prepared for the AHF cup with a Test Match Series training trip to Hong Kong on 29th July 2017 - 31st July 2017, playing against the National Hong Kong Team. The 4th Women's AHF Cup took place 1st October 2017 – 9th October 2017. The average age of the team was approximately 19 years. All players were outstanding on the field and had enthusiastic camaraderie on and off the field. The team managed to

push through each game with consistent high quality performance. The AHF Cup was a good preparation for the World League Round 2.

The team competed in Pool B and played against:

1. Singapore vs Cambodia (won 16 – 0)
2. Singapore vs Hong Kong (won 2 – 1)
3. Singapore vs Pakistan (drew 1 – 1)

Pool A consisted of Thailand, Sri Lanka, Chinese Taipei, Indonesia and Uzbekistan.

In the semifinals, they played against Chinese Taipei (won 1 – 0). They played against Thailand for the gold medal (lost 4 – 0), gaining them the 2nd place of 8 countries, allowing them to qualify for the Women's Asia Cup. This was the best result for an AHF Cup since 1997.

The team for 4th Women's AHF Cup comprised of :

1. Amanda Ng Hui Leng

World League Round 2

The team competed in World League Round 2 on 14th January 2017 – 22nd January 2017. The team played against teams such as Italy and Ireland, which were ranked 15th and 16th in World rankings respectively. That resulted in the team receiving major injuries, and caused complications to the strategies. However, it was a considerable lift in fitness of the athletes, with the help of the Strength and Conditioning Coach Randal Joseph, who had been helping the team build in strength and fitness. The team has improved from previous matches, and more support from Singapore Sports Institute will help propel the team forward for future matches.

The team performed well with the following results:

1. Singapore vs Thailand (lost 4 – 0)
2. Singapore vs Wales (lost 7 – 0)
3. Singapore vs Italy (lost 8 – 0)
4. Singapore vs Ireland (lost 10 – 0)

YOUTH DEVELOPMENT

SCHOOLS YOUTH HOCKEY PROGRAMME

This programme aims to promote hockey and increase awareness of the game amongst young children and to increase the number of young students playing hockey, starting with modified hockey. This consists of the Schools Youth Hockey Programme manual, equipment sponsorship and a teacher training programme, to play modified hockey. The manual has 20 comprehensive user friendly lesson plans, developed with a group of hockey playing teachers was completed in early 2015. The manual is user friendly, tailored to suit the schools programme, with objectives in physical and psychosocial development.

The programme was officially launched on 19 March 2016 at SHF, attended by schools' head of department and PE teachers, with the signing of the programme agreements. Schools in the programme are sponsored 40 sets of equipment for modified hockey, with plastic hockey sticks, hockey balls and shin pads. The first workshop to train the teachers on the use of the manual supported by the Coaching committee was conducted on the launch, with further sessions on site at schools for the other teachers. Six Primary Schools and three Secondary Schools were offered the programme in March 2016. Since then, Marsiling Secondary School and Chongzheng Primary school have been included in the programme.

Schools in the programme include:

Primary Schools:

- Bukit View
- Tanjong Katong
- Huamin
- CHIJ St Nicholas
- Punggol
- Xishan
- Chongzheng

Secondary Schools

- Bukit Panjang Government High
- Raffles Institution
- Marsiling

The committee has reviewed the programme with the schools at the end of the year and will continue to engage more schools to promote the teaching of hockey as a game module in schools with the help of our structured programme. The manual is currently being reviewed by the committee and an updated version of the PE manual is projected to be available in early 2018.

MODIFIED / SMALL- SIDED HOCKEY GAMES

The Committee supports schools in small sided competitions, in the running of the event, equipment, medals and umpires. SHF supported Park View Primary School in their East Zone (EZ COE) carnivals which run 3v3 mini-hockey tournaments at various schools and other developmental projects.

SHF has supported the following events:

- EZ COE Carnival at Anglican High on 15 September 2016
- EZ COE 3v3 Hockey Carnival at Sengkang Stadium on 3 November 2016
- Chongzheng Primary Hockey Challenge on 6 March 2017
- EZ COE Carnival at Punggol Cove Primary on 19 May 2017

Apart from these mini-hockey events, the Youth Development Committee is also working towards starting School Enrichment Programmes (SEP) across schools. A SEP was conducted at Woodlands Ring Secondary School in August 2016. A number of further schools have been identified and the programmes are expected to start in the third quarter of the year.

COMMUNICATIONS & COMMUNITY ENGAGEMENT

The Communications and Community Engagement Committee (CCE) is a new committee which was formed after the last AGM in 2016 previously known as the Marketing and Communication Committee.

The committee has been tasked to handle the marketing and communications aspect of the Federation and as well as the community engagement portfolio.

Marketing & Communications

In April 2016, Dreamtron was appointed as the new apparel sponsor after the contract with Thorb expired.

Since April 2015, the role of branding and marketing has been outsourced. TrueBlue Consultants were appointed til the end of June 2016 for a period of 6 months.

Subsequently, Mr Darren Ho was appointed as an outsourced Media Consultant to handle all media and communications and Social Media Services for SHF from 1 July 2016 to 31 December 2016. Mr Darren was also appointed as the Media Officer for the 2016 Women's Asian Champions Trophy held in Singapore from 29 October to 6 November 2016.

SHF hosted two major events FY 2016/2017. First being the World League Round 1 from 9 to 17 of April 2016 and second being the Women's Asian Champions Trophy from 29 October to 6 November 2016. SportSG acquired the feed for the broadcast of the World League which was broadcasted on their YouTube page. The streaming of World League Round 1 was outsourced to Sunset & Vine.

The Women's Asian Champions Trophy was streamed live on SHF's YouTube page. The streaming of the Women's Asian Champions Trophy was done by Spectrum TV which was hired for the tournament as the broadcaster. All twelve games were streamed live.

Community Engagement

SHF is keen on engaging the community at Grassroots Level and has regularly featured in Grassroots and Community events across Singapore.

The Federation participated in the Car Free Sunday on 27 March, 29 May and 26 June at the Padang, to promote awareness of Hockey. The Hockey booth was well patronised by members of the public with both the young and old trying out drills and games.

SHF also participated in the Olympic Day on 9 July 2016 at the Floating Platform @ Marina Bay. The event was well attended and Mr Tan Chuan Jin, Minister for Social and Family Development & Singapore National Olympic Council President, & Ms Grace Fu, Minister for Culture, Community and Youth visited our booth and participated in a game with some young children.

SHF also participated in the following events as part of our community outreach:

- Community Outreach Programme for AG Girls Home on 16 July 2016
- Community Roadshow at Bukit Batok CC on 23 July 2016
- Tampines North CC "Movies Under the North Stars" on 3 December 2016

DISCIPLINARY MATTERS

There were 19 disciplinary cases during the period April 2016 to March 2017, out of which five involved an umpire breaching the umpire's conduct. One of the nineteen cases involved the violent action against an opponent. Another case involved a club complaint regarding one of the umpires. Three cases involved a club fielding an ineligible player. And seven cases involved misconduct towards umpires. The final two cases involved disrespectful behaviour towards coaching staff.

The Disciplinary Committee headed by Mr Intekhab Khan, and assisted by a panel of dedicated members, attended to the cases in a fair and firm manner which serves to uphold the decorum and dignity of the game of hockey. Apart from disciplinary actions, counseling was offered to facilitate the rehabilitation and

behavior modification of hockey players who have problem with anger management, to sustain their enthusiasm and continued contribution to the sport.

APPEALS BOARD

Pursuant to Article 5 (6) (b) of the Federation's Constitution, Council appointed the persons in the list attached as Appendix 6 to serve as members of the Appeals Board.

There were no appeal cases dealt with by the Appeals Board.

WESTERN AUSTRALIA GOVERNMENT PROGRAM

The Western Australia Government continued its support of hockey activities in Singapore with another A\$50,000 allocation for the period July 2015 to June 2016.

During this period coaching clinics were conducted by technical experts from Perth, in particular former Australian international Tristram Woodhouse. The following schools benefitted from his sessions:

Bukit Panjang Government High School
St Joseph's Institution
Woodlands Ring Secondary School
Crescent Girls Schools
Northland Secondary School
St Andrew's School

In addition this program brought David Bell, a world renown goalkeeper coach to Singapore to conduct sessions for players and coaches. Also umpires from Perth, in particular World Panel Umpire Murray Grime was able to conduct umpire circles and officiate matches in the national league.

The SHF is extremely grateful to the Western Australia Government for its support of Hockey in Singapore

TRUST FUND

The Federation set up the Athletic Assistance Trust Fund for promoting and catering for a holistic athlete development to produce successful, dedicated and responsible national and league players who will enjoy and support hockey and aspire to represent Singapore in international hockey tournaments

In the past year, a total of 6 athletes benefitted from the trust fund with a total amount of \$15,500 spent from the fund.

SPORTS EXCELLENCE FUND

The Federation set up the Sports Excellence Fund to support the financing of athletes and representative teams maintained by the SHF for the purpose of participating in international or inter-state competitions as approved by the SHF. In addition such funds may be used to finance incurred by individual athletes for playing attachments with clubs or teams outside Singapore.

In the past year, a total of 7 athletes benefitted from the trust fund with a total amount of \$9,062.83 spent from the fund.

THANKING OUR DONORS

The Federation would like to record its special thanks to all our donors who have given their earnest support, without which many of our events would not have been possible. Moving forward, we would like to intensify our efforts to work with donors on promoting hockey within the community, apart from profiling the sports in international tournaments.

To the following kind donors, we say a big “THANK YOU”:

NAME OF DONOR
MR. RAMESH APPOO
MS. NIRMALA DEVADAS

MR. INTEKHAB KHAN

ACKNOWLEDGEMENTS

The Singapore Hockey Federation would like to extend its sincere gratitude to its Honorary Advisors, Deputy Prime Minister and Minister for Finance Mr Tharman Shanmugaratnam, Mr Zainul Abidin Rasheed and Mr Davinder Singh SC for their continuing guidance and support.

We wish also to record our heartfelt appreciation to Sports Singapore for its unwavering support, funding, invaluable advice and assistance in our execution of programs and our administration.

A very special thanks to our Affiliates who had always given their earnest support and participation to events organised by the Federation.

We also wish to extend our appreciation to the contributions of our Secretariat staff who painstakingly supported all our operational and administrative demands. We would also like to thank our national coaching staff, both the full time and part time coaches who have helped to elicit the best out of our national players, despite the challenging circumstances where the players have to cope with various competing demands.

We look forward to many more years of good partnership and vibrant engagement with our stakeholders and the hockey fraternity.

Independent Auditor's Report to the Members of Singapore Hockey Federation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Singapore Hockey Federation (the "Society"), which comprise the statement of financial position of the Society as at 31 March 2017, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Charities Act, Chapter 37 (the "Charities Act"), Societies Act, Chapters 311 (the "Societies Act") and Financial Reporting Standards in Singapore (FRSs) so as to present fairly in all materials respects, the state of affairs of the Society as at 31 March 2017 and the results, changes in funds and cash flows of the Society for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Executive Committee members is responsible for the other information. The other information comprises Statement by Executive Committee Members set out on pages 1.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Executive Committee Members' Responsibility for the Financial Statements

The Executive Committee Members are responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Charities Act, Societies Act and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from materials misstatement, whether due to fraud or error.

Independent Auditor's Report to the Members of Singapore Hockey Federation (continued)

Executive Committee Members' Responsibility for the Financial Statements (continued)

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The Members' responsibilities include overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Executive Committee Members.
- Conclude on the appropriateness of Executive Committee Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive Committee Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditor's Report to the Members of Singapore Hockey Federation (continued)

Report on Other Legal and Regulatory Requirements

In our opinion:

- (a) The accounting and other records required to be kept by the Society have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act and Charities Act; and
- (b) There was no fund-raising event held by the Society during the financial year ended 31 March 2017.

During the course of our audit, nothing has come to our attention that causes to believe that during the year:

- (a) The Society has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities Regulations; and
- (b) The Society has not complied with the requirements of Regulation 15 of the Charities Regulations.

These notes form an integral part and should be read in conjunction with the accompanying financial statements.

1. General

Singapore Hockey Federation (the "Society") was registered as a charity on 10 December 2010. Institution of Public Character (IPC) status was also renewed for the period 18 February 2015 to 17 February 2018.

The Society is registered under Societies Act, Chapter 311 of Singapore on 3 July 1992. The registered office is at 57 Anchorvale Road, #02-08, Seng Kang Sports and Recreation Centre, Singapore 544964.

The Society was formed for the purposes of encouraging, promoting, developing and controlling field hockey in Singapore.

2. Summary of significant accounting policies

2.1 Basis of preparation

The financial statements of the Society have been drawn up in accordance with Charities Act, Chapter 37, Societies Act, Chapter 311 and Singapore Financial Reporting Standards ("FRS"). The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollar (S\$), which is the Society's functional currency.

2.2 Adoption of new and revised standards

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Society has adopted all the new and revised standards which are relevant to the Society and are effective for annual financial periods beginning on or after 1 April 2016. The adoption of these standards did not have any material effect on the financial statements.

2.3 Standards issued but not yet effective

A number of new standards, amendments to standards and interpretations are issued but effective for annual periods beginning after 1 April 2016, and have not been applied in preparing these financial statements. The Society does not plan to early adopt these standards.

The following standards that have been issued but not yet effective are as follows:

<i>Description</i>	<i>Effective for annual periods beginning on or after</i>
FRS 109 Financial Instruments	1 Jan 2018
Amendments to FRS 7: Disclosure Initiative	1 Jan 2017

The Executive Management Committee expects that the adoption of the standards above will have no material impact on the financial statements in the period of initial application.

2. Summary of significant accounting policies (continued)

2.4 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is calculated using the straight-line method to allocate depreciable amounts over their estimated useful lives. The estimated useful lives are as follows:

	<u>Years</u>
Computer	3
Furniture and fittings	5
Office equipment	5
Games equipment	5

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The useful lives, residual values and depreciation method are reviewed at the end of each reporting period, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in profit or loss in the year the asset is derecognised.

2.5 Financial instruments

(a) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Society becomes a party to the contractual provisions of the financial instrument. The Society determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, directly attributable transaction costs.

Subsequent measurement

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit and loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

Loans and receivables comprise trade and other receivables, fixed deposit and cash and cash equivalents.

Cash and cash equivalents comprise cash at banks and on hand.

2. Summary of significant accounting policies (continued)

2.5 Financial instruments (continued)

(a) Financial assets (continued)

De-recognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised in other comprehensive income is recognised in profit or loss.

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Society becomes a party to the contractual provisions of the financial instrument. The Society determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Such financial liabilities comprise trade and other payables.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

2.6 Impairment of financial assets

The Society assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Society first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Society determines that no objective evidence of impairment exists for individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

2. Summary of significant accounting policies (continued)

2.6 Impairment of financial assets (continued)

Financial assets carried at amortised cost (continued)

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial asset is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying amount of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Society considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

2.7 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and on hand and are subject to an insignificant risk of changes in value.

2.8 Income

Affiliation fees and player registration fees are recognised as revenue as and when it becomes due and payable. Funding from SportSG are taken on an accrual basis. Tournament fees and other participation fees are accounted upon completion of events. Donations and other sources of income are recognised on a cash basis.

2.9 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Government grant shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognizes as expenses the related costs for which the grants are intended to compensate. Grants related to income may be presented as a credit in profit or loss, either separately or under a general heading such as "Other income".

2.10 Employee benefits

Defined contribution plans

The Society makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

2. Summary of significant accounting policies (continued)

2.11 Income taxes

The Society is a tax-exempted institution under the provision of the Income Tax Act (Chapter 134, 2004 Revised Edition).

2.12 Funds

Fund balances restricted by outside sources are indicated and distinguished from unrestricted funds allocated to specific purposes if any by action of the Society Members. Externally restricted funds may only be utilised in accordance with the purpose established by the source of such funds and are in contrast with the unrestricted funds over which the Society Members retains full control of use in achieving any of its institutional purposes.

2.13 Conflict of interest policy

Society Members are expected to avoid actual and perceived conflicts of interest. Where Society Members have personal interest in business transactions or contracts that Society may enter into, or have vested interest in other organisations that Society have dealings with or is considering to enter into joint ventures with, they are expected to declare such interests to the Society as soon as possible and abstain from discussion and decision-making on the matter. Where such conflicts exist, the Society will evaluate whether any potential conflicts of interest will affect the continuing independence of Society members and whether it is appropriate for the Society member to continue to remain on the Society.

3. Significant accounting judgments and estimates

The preparation of the Society's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

3.1 Judgments made in applying accounting policies

The management is of the opinion that there are no significant judgments made in applying accounting estimates and policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3.1 Key sources of estimation of uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Society based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Society. Such changes are reflected in the assumptions when they occur.

Useful lives of property, plant and equipment

The useful life of an item of property, plant and equipment is estimated at the time the asset is acquired and is based on historical experience with similar assets and takes into account anticipated technological or other changes. If changes occur more rapidly than anticipated or the asset experiences unexpected level of wear and tear, the useful life will be adjusted accordingly. The carrying amount of the Society's property, plant and equipment as at 31 March 2017 was S\$46,599 (2016: S\$47,491).

17. Taxation

The Society has been granted IPC status since 10 December 2010. The Society is a charitable institution by virtue of Section 2 of the Charities Act, Chapter 37. In addition, the Society is exempted from filing income tax returns by virtue of Section 13(l)(zm) of the Income Tax Act Chapter 134.

18. Tax exempt receipts

The Society enjoys a concessionary tax treatment whereby qualifying donors are granted double tax deduction for the donations made to the Society. During the financial year, the Society issued tax-exempt receipts for donations collected amounting to S\$ 32,600 (2015: S\$33,000).

19. Operating lease commitments

Society leases office and equipment under non-cancellable operating lease agreements. These leases have varying terms, escalation clauses and renewal rights.

The future minimum rental payable under non-cancellable operating leases contracted for at the reporting date but not recognised as liabilities, are as follows:

	<u>2017</u>	<u>2016</u>

20. Disclosure on online evaluation checklist via charity portal

As required, the Society has submitted the Governance Evaluation Checklist for the financial year ended 31 March 2016 via Charity Portal on <https://www.charities.gov.sg>.

The Society will submit the Governance Evaluation Checklist for the financial year ended 31 March 2017 after the approval of the financial statements.

21. Financial risk management

The Society's activities expose it to a variety of financial risks from its operation. The key financial risks include credit risk, liquidity risk and market risk (including interest rate risk, foreign currency risk and market price risk).

The Management Committee Members reviews and agrees policies and procedures for the management of these risks, which are executed by the management team. It is, and has been throughout the current and previous financial year, the Society's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Society's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Society's exposure to these financial risks or the manner in which it manages and measures the risks.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Society. The Society has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a means of mitigating the risk of financial loss from defaults. The Society performs ongoing credit evaluation of its counterparties' financial condition and generally do not require a collateral.

The maximum exposure to credit risk in the event that the counterparties fail to perform their obligations as at the end of the financial year in relation to each class of recognised financial assets is the carrying amount of those assets as stated in the statement of financial position.

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Society's performance to developments affecting a particular industry.

Exposure to credit risk

The Society has no significant concentration of credit risk. The Society has credit policies and procedures in place to minimise and mitigate its credit risk exposure.

Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are with creditworthy debtors with good payment record with the Society. Cash and cash equivalents are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

21. Financial risk management (continued)

Liquidity risk

Liquidity risk refers to the risk that the Society will encounter difficulties in meeting its short-term obligations due to shortage of funds. The Society's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It is managed by matching the payment and receipt cycles. The Society's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities. The Society's operations are financed mainly through equity. The Management Committee Members are satisfied that funds are available to finance the operations of the Society.

Analysis of financial instruments by remaining contractual maturities

The table below summarises the maturity profile of the Society's financial assets and liabilities at the reporting date based on contractual undiscounted repayment obligations.

21. Financial risk management (continued)

Market risk

Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates will affect the Society's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Society's financial instruments will fluctuate because of changes in market interest rates. The Society's exposure to interest rate risk arises primarily from fixed deposit.

The Society does not expect any significant effect on the Society's surplus or deficit arising from the effects of reasonably possible changes to interest rates on interest bearing financial instruments at the end of the financial year.

Reserves policy

	2017	2016
	S\$	S\$
Unrestricted funds	292,890	393,319
Ratio of Reserves to Annual Operating	0.17	0.26

The reserves that the Society have set aside provide financial stability and the means for the development of its principal activity. The executive committee intend to maintain the reserves at a level which is at least equivalent to one month of the Secretariat's Operating Expenses based on our total reserves and annual operating expenses.

The executive committee will review on a quarterly basis the amount of reserves that are required to ensure that they are adequate to fulfil their continuing obligations.

22. Fair values

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The following methods and assumptions are used to estimate the fair value of each class of financial instruments for which it is practicable to estimate that value.

Cash and cash equivalents, other receivables and other payables

The carrying amounts of these balances approximate their fair values due to the short-term nature of these balances.

Trade receivables

The carrying amounts of these receivables approximate their fair values as they are subject to normal trade credit terms.

23. Financial instruments by category

At the reporting date, the aggregate carrying amounts of loans and receivables and financial liabilities at amortised cost were as follows:

	<u>2017</u>	<u>2016</u>
	S\$	S\$
Loans and receivables		
Trade and other receivables (Note 5)	35,135	60,869
Fixed deposit (Note 7)	50,000	72,001
Cash and bank balances (Note 7)	311,004	380,319
Total loans and receivables	<u>396,139</u>	<u>513,189</u>
Financial liabilities measured at amortised cost		
Other payables (Note 10)	<u>29,475</u>	<u>47,382</u>

24. Fund Management

The Society's objective when managing fund is to ensure that the funds are utilised in accordance with the purpose of the funds.

25. Authorisation of financial statements for issue

The financial statements for the financial year ended 31 March 2017 were authorised for issue by the Executive Committee on the date of the Statement by the Executive Committee.
